## PRESCHOOL GYMNASTICS CLASS DESCRIPTIONS

Preschoolers love to run and jump and climb and roll. World Cup Gymnastics is the perfect place for that kind of fun! Our Preschool Gymnastics program is designed to allow every child to develop gross motor skills while channeling abundant energy and introducing him/her to the wonderful sport of gymnastics. We provide a safe and fun-filled environment in which we educate your child in basic gymnastics skills. Our staff is trained to help children have fun and feel successful as they learn and grow.

### COZY TWOS (Ages 2 - 3 yrs.)

With an adult participant, your child will learn body awareness, basic gymnastics positions, and be introduced to gymnastics terminology. The Cozy Twos class is full of opportunities for your child to roll down wedges, swing on bars and rings, jump on trampolines, and explore our variety of colorful and creative obstacle courses.

### CLIMBING THREES (Ages 3 - 4 yrs.)

Young gymnasts will find the Climbing Threes class a slightly more structured opportunity to grow in their gymnastics ability. Your child will be encouraged to take turns, follow directions and participate in group activity. This class will also expand your child's sense of independence and self-confidence. Our staff will continually emphasize the safety rules of the gym for these Climbing Threes, who are out on their own for the very first time.

### CARTWHEELING FOURS (Ages 4 - 5 yrs.)

Using a combination of preschool equipment and competitive equipment modified for children of this age, each student will achieve a better understanding of the sport of gymnastics. The concepts of balance, flexibility, and strength will be emphasized while we begin to focus on form as well. Because these children are stronger and more capable, they are ready to take the skills they have already learned to a new level.

### PRE-REC I (Ages 4 – 5-1/2)

This 55-minute class is designed for Preschoolers who are ready for more of a challenge. The class is structured like a Recreational class (no more obstacle courses), and will focus on building the strength, coordination and flexibility needed to master the skills taught in Rec. I. Instructor approval is required.

### FEES (Please add an annual Membership Fee of \$30.00 to each new member's tuition.)

5 weeks	6 weeks	7 weeks	8 weeks	9 weeks
\$146.25	\$175.50	\$204.75	\$234.00	\$263.25
